

*The comforting and warm living room at the Legacy Care Residence offers an inviting nook to relax.*

## **LEGACY CARE**

Legacy Care provides a loving home for pets when their owners are no longer able to provide care. We offer a lifetime commitment to our Legacy Care pets, whether they live with us to the end of their days or are adopted by a family we feel is an excellent match based on the pet's needs and preferences.

### Immediate Admission

As long as space allows, Paws4ever is able to admit pets immediately into our care once the application process is completed and the pet is accepted into the program.

### Planned Enrollment

As a pet parent, you want to ensure quality care for your pet if/when you are no longer able to provide care. An excellent way to do this is to enroll in Legacy Care before you need it. With planned enrollment, pets are guaranteed care when needed, and you lock in the current year's admission rate. Establish a provision for these funds in your Will or through a life insurance policy or other means of beneficiary designation.

To learn more, view our Enrollment Packet, which includes frequently asked questions and an explanation of fees, at PAWS4EVER.ORG.

**Enjoy peace of mind knowing that your beloved pet will enjoy all the comforts of home and family, just as you would provide.**

## **LONG-TERM BOARDING**

Long-term boarding of one month or longer is available as space allows for pets who we consider an appropriate fit based on the animals living in the Residence at the time. Short-term boarding may be available for Legacy Care members.

The acceptance of pets for boarding is determined on a case-by-case basis. All pets must be current on required vaccines, including DHPP, rabies and bordatella for dogs and FVRCP, rabies and FeLV (in some cases) for cats. Animals with aggressive behaviors or infectious diseases will not be considered.

At Paws4ever, we understand that each pet is unique. Our boarding rates are determined prior to the pet's stay and are based on the length of stay and the specific needs of the pet. To learn more, view our Boarding Information & Application available at PAWS4EVER.ORG.

*Two bedrooms at the Legacy Care Residence provide sleeping space for the caretaker and pets.*

*Even our small dogs love the outdoor cat enclosure!*

## **THE LEGACY CARE RESIDENCE**

The Legacy Care Residence, located on the beautiful 50-acre Paws4ever sanctuary, is a 2,000 square foot fully equipped home with spaces for the animals to socialize with the resident caretaker and the other animals or, if the animal prefers, have private space for lounging and eating.

The home is beautifully furnished with soft places for the animals to sleep and toys to keep them busy during the waking hours. Our new cat enclosure allows cats to enjoy outside time safely, and fenced playing fields and nature trails are on property for our dogs to enjoy.

Boarders live in the Residence and all other pets live in either the Residence or a Legacy Care Provider's own home depending on the pet's individual needs. At no time will your pet be in an animal shelter environment.

## WHAT IS LEGACY CARE?

Legacy Care at Paws4ever provides a loving home for dogs and cats when their owners cannot provide care. Through this program, we offer three solutions designed to help accommodate various situations.

- Long-term boarding of one month or longer
- Immediate admission of animals whose owner can no longer provide care
- Enrollment for pet parents who want to plan ahead to ensure care if/when needed

## WHO WILL CARE FOR MY PET?

Our experienced Legacy Care Providers ensure proper nutrition, exercise, affection and, if needed, medication. We understand that every pet is unique and therefore provide individualized care based on the needs and preferences of each pet.

*The Legacy Care Residence is a comfortable home for animals like Duncan!*

## ABOUT PAWS4EVER

Paws4ever is dedicated to creating and growing lifetime relationships between pets and people through adoption, training, education and care.

The Adoption Center is a placement partner for animals transferred from local county shelters. We offer a lifetime commitment to these animals and, while they're with us, provide love, socialization and training in addition to medical and basic care.

The Dog Training Program provides the most affordable and comprehensive array of dog training in our area, including basic obedience, Canine Good Citizen and sport and fitness classes.

Paws4ever is also home to a 3-acre membership dog park, a 2-mile nature trail, and a competitive and specialty sports facility.

Paws4ever relies 100 percent on donations and on revenue from our services and ReSale Store.
