Paws4ever

Title
Animal Care Technician (FT)

Supervisor
Adoption Center Manager

Purpose
Paws4ever, a guaranteed-adoption animal shelter in Mebane, North Carolina, seeks a reliable and dedicated individual to perform animal care and cleaning duties at our Adoption Center. This position is full-time (40 hours) including some weekend and holiday shifts.

Primary duties include providing quality animal welfare care for the animals at the Paws4ever Adoption Center, including proper nutrition, medication (as needed) per DVM protocol, exercise and enrichment, and serving as a customer service agent for potential adopters, volunteers, and guests. The staff member will treat the animals and visitors with respect and maintain a high standard of care as established by Paws4ever. Animal Care Technicians must also ensure the stringent cleaning of the Adoption Center, the Learning Center and Administration per health code and the maintenance of a clean and safe environment at all times. The staff member reports to the Adoption Center Manager and ultimately the Executive Director and Board of Directors. Training provided.

High school diploma or equivalent required. One to three years of animal care experience highly desired. The successful candidate will have stringent animal care standards, be dedicated and trustworthy. Must be able to comprehend verbal and written instructions. Must have reliable transportation and a valid NC drivers license. Must be able to move/lift 50 lbs., bend frequently, and stand throughout the workday. Must be able to work with cats and dogs of all sizes and temperaments. Starting pay range is $7.50-9.00 per hour.

Working Conditions: Work is performed in a kennel/shelter setting. Exposure to disinfectant solutions and zoonotic diseases. Subject to animal bites and scratches while handling or working around animals.

To Apply
To apply, submit resume and cover letter to jobs@paws4ever.org and specify "Animal Care Technician" in the subject line. Applications will be accepted until position is filled.
