

Your Amazing Impact For Pets in 2021!

Dear Friend,

Your unwavering support in 2021 provided much-needed aid to homeless pets and pet parents struggling during the COVID-19 pandemic. Thanks to you, 520 more individuals looking for assistance with their pets were provided support, 140 more dogs and owners completed training programs, and 51 more animals were rescued and cared for at Paws4ever in 2021 compared to 2020.

I became Paws4ever's Executive Director in January of this year. Since my arrival, I've been amazed at the dedication of staff and volunteers to provide the best care possible for pets and their owners.

When I first arrived at Paws4ever, I met Woody, a 4-year old hound mix. He is very affectionate and loves to snuggle and make new friends. He is silly and playful. He loves short walks and tennis balls, and he will do anything for some peanut butter. Thanks to supporters like you, Paws4ever rescued Woody from a county shelter in October of 2021.

Unfortunately, Woody was born with a heart defect that put him at risk for heart failure. He needed a cardiac catheterization to reduce the severity of his condition. The procedure cost thousands of dollars, so we needed help. We sent a plea to our community asking for support, and I was blown away by the generous response. Thanks to you, we were able to quickly raise the funds to get Woody the surgery he needed.

This week, Woody had his 3-month post-surgery check-up, and I am so thrilled to share that he got a great report and he no longer needs to take heart medication! This community rescued Woody from a county shelter and saved him from heightened risk of heart failure. I know that finding his forever home will be next!

As I look to the future of Paws4ever, I'm excited to work together with each of you to grow our programs and services! Your continued support will be life-changing for pets and people in our community.

Thank you,

Whitney Zoghby

Supporters helped cat mom, Martha, get the emergency c-section she needed to safely deliver her kittens.

Your emergency support saved 10 sick kittens from a hoarding situation, helped them heal, and found them new homes.

Chloe and her newborn puppies were homeless. Your support helped us rescue this sweet dog family!

Diamond is blind and needed eye surgery to prevent future pain and complications. Your support made it possible!

Dogs and their families enjoyed a free afternoon of training activities and education at Dog Training Field Day!

As many prepared to resume in-person work, our trainers held a Q&A session about easing separation anxiety in pets.

Strudel was rescued, had a lot of playdates and games of fetch at Paws4ever, and found her new home!

Opie was heartworm positive. Your support meant we could rescue him and give him the treatment he needed.

Paws4ever trainers worked with Charles to help him prepare for home life. In August, he found his new family!

Boo, Spider, and Pumpkin were rescued just in time for Halloween!

Your support saved 2-month-old puppies, Grinch, Kris Kringle, Martha May, and Cindy Lou!
