### About Paws4ever

Paws4ever is hosting Paw Prints, an art show fundraiser, to support our mission of creating and growing lifetime relationships between pets and people through adoption, training, education & care.

Paws4ever is a non-profit animal welfare organization in Orange County that rescues animals from our local county shelters and cares for them as long as it takes to find their forever homes. Paws4ever also supports pet families through training, pet care education, a dog park, and a Legacy Care program. Learn more about Paws4ever at [paws4ever.org](http://paws4ever.org)

### Call for Art Submissions

Paw Prints is open to submissions of 2D and 3D artwork. Artwork is not limited to a theme, but work that features animals or is inspired by pets is encouraged! Artists may submit up to 3 pieces for consideration.

**Submissions are due October 15th and decisions will be made by October 26th**

# Artwork Guidelines:

Pieces must be the artists' original work. We will include as many pieces as possible, but the venue space is limited and we will be selecting pieces that fit the physical space and the tone of the event. Submissions should be suitable for all ages.

**Please note the categories of artwork we are able to display at the event and the requirements for displaying them:**

## **2D Wall-Hanging Pieces:**

The event venue will accommodate 22 pieces of 2D artwork to hang on the walls. Wall-hanging pieces must be no wider than 2 feet. All wall hanging pieces must have picture hanging wire already attached and be ready to hang (no "alligator" style hangers).

## **Larger 2D Artwork:**

Limited space is available for pieces that are larger than we can accommodate on the walls. If you submit a larger piece of 2D artwork, you must bring an easel for display.

## **3D Artwork Freestanding**

3D artwork may be freestanding if it is large, or displayed on a pedestal if you are able to bring your own pedestal.

## **3D Artwork on a Table:**

A limited amount of space may be available to display 3D artwork on a table.

# Sales:

All artwork must be for sale. Artists set their own prices. Artist will receive 60% of the sales price on pieces sold; Paws4ever retains a 40% commission to support pets in need. North Carolina sales tax is added to the sales price. Buyers will pay Paws4ever by credit card during the event, and Paws4ever will mail a check for 60% of the sale price to the artist within two weeks.

# Liability:

Paws4ever will take reasonable precaution to prevent loss of or damage to your work, but neither Paws4ever nor the venue Extraordinary Ventures will be responsible for any damage.

# Submission Process:

Complete the online submission form with the pieces you would like to be considered for inclusion in the Paw Prints art show. Submissions must have all fields filled in, including photographs of the artwork, the medium, dimensions, name of the piece, sale price, and artist contact information.

Photographs of submissions should be high quality and avoid background or glare as much as possible.
