Sponsorship Opportunities

Paws4ever is a leader in the community for animal rescue, adoption, care, and training. We've been bringing pets and people together for more than 50 years.

"A Toast To Pets!" is our second annual brunch fundraiser. The event will feature guest speaker Dr. Natasha Olby, professor of veterinary neurology at NCSU. Dr. Olby will share "The Canine Neuro-Aging program - understanding how you and your dog can age well"

Pet lovers from around the Triangle and beyond will be in attendance. By sponsoring this event, you can save pets and get your business in front of our audience!

Sponsorship includes benefits across multiple platforms. Benefits begin during pre-event promotions and continue throughout the year!
