You are solely responsible for the safe behavior of your dog at all times, and assume all risks associated with your attendance of Paws4ever's Dog Park and Nature Trail. While the Dog Park and Nature Trail are not actively supervised by Paws4ever staff for dog compatibility or appropriate play manners, Paws4ever staff may at any time dismiss you and your dog from the park or nature trail for inappropriate behavior or for rule infractions. You are responsible for reading and following all rules listed in this document as well as any signs posted at the park or trailhead.

- The Dog Park and Nature Trail is open from sunrise to sunset
- Park only in the designated dog park parking lot while visiting the park and trail. This is the area directly in front of the dog park entry gate. Parking and walking in areas in front of the Adoption Center, Administrative, Learning Center or other buildings is not permitted.
- To protect the health of all of the dogs, only bring your dogs when they are feeling well and parasite free. It takes a pain-free and healthy dog to be able to interact and socialize nicely.
- Only enter the park after making sure that your dog is compatible with the dogs already inside the park.
- Be considerate of fellow members and their dogs.
- Keep your dog(s) under careful and direct supervision at all times, and never leave your dog alone in the park.
- Children under 10 are not allowed in the park. Children over 10 may enter the park but should be supervised by an adult at all times.
- Pick up after your dog, and dispose of trash in the proper receptacles. Bring extra bags just in case.
- Smoking or vaping is not permitted on Paws4ever's property.
