Dear Friend,

In 2024, Paws4ever remained committed to rescuing the most vulnerable pets while expanding efforts to keep animals in loving homes. With your help, we continued to focus on saving pets from underfunded rural shelters with limited resources. Through specialized veterinary care, behavioral support, and enrichment, hundreds of dogs and cats were given a second chance. Because of your support, so many pets now know the love of a forever home.

Our Community Pet Support Program played a vital role in preventing pet surrenders by offering advice and resources for rehoming situations, financial assistance for veterinary care, a pet pantry for essential supplies, and scholarships for dog training to hundreds of pet owners in our community. We are grateful to have formed partnerships with local organizations such as Meals on Wheels Orange County, DEGA Mobile Veterinary Care and Southern Alamance Family Empowerment (SAFE), allowing us to extend our reach in the community to directly support pet owners in need.

Our Dog Training Program continued to play a valuable role in our mission, providing accessible training to community members and their pets. With expanded class offerings and the capacity to address more serious behavioral issues through private lessons, we equipped families with the tools to build lasting relationships with their pets. Additionally, our ReSale Store had its highest sales year-to-date, which helps fund our lifesaving programs while promoting sustainability.

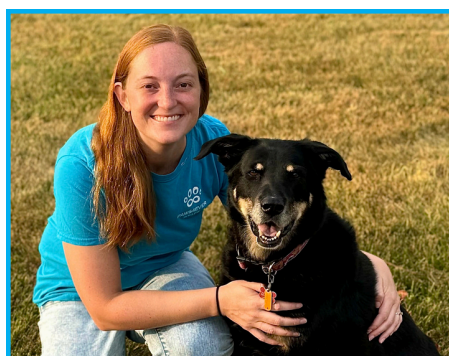

Thanks to our dedicated supporters, 2024 was an impactful year full of helping more pets find lifelong homes and ensuring pet parents received the support they needed to keep their beloved pets.

In 2025, we look forward to building on this momentum by upgrading our Adoption Center facilities and strengthening our Community Pet Support Program with additional resources and new partnerships. Thank you for joining us in saving pet lives and uplifting our community. With your support, I am confident Paws4ever will continue to make an even greater impact in the lives of pets and families in the year ahead.

With heartfelt gratitude,

Whitney Zoghby  
Executive Director

*“Lucy is doing great! I know she received great care and love at Paws4ever. Her grandma meows are the best! She greets me every morning when I wake my daughter up with her granny meows. She is the sweetest thing! She loves her cuddles and squeezes and just purrs and purrs and smiles all the time.”*

## Raven, Adopted September 2024

*“She’s been enjoying going on lots of walks, playing with all her toys, exploring in the yard, and cuddling with me and my roommate every day. She even got to try her first pup cup! She is enjoying the adopted life. Thanks so much for all that you do.”*
